Newsletter—Winter 2004

The Heritage Park pavilion was completed this past year. Please look for upcoming events in the near future. Many thanks to all the individuals and organizations who donated their time or donated materials to the project. We couldn't have done it without you. If you have purchased a memorial brick for the pavilion, the 1st order will be going in soon. Bricks will be put on when the weather gets warmer.

Gardnerville's 125th Birthday celebration will begin on April 5th at 4:00 p.m. Heritage Park. There will be a re-enactment of the deed signing—following is a reception at the Carson Valley Historical Society with the opening of their Gardnerville exhibit. Cake and refreshments will be served. Look for other birthday events the weekends of May 15,16; 22,23 & June 19, 20.

Chichester area and Courthouse Alley Residents: During the weekend of May 22 & 23, Gilman Avenue will be closed for the 125th Birthday car/motorcycle weekend.

Gardnerville is a **Tree City USA**. Please join us for Arbor Day in Heritage Park on the last Friday in April.

All the conduit is in to connect new lights on Hwy 395. We are working with Sierra Pacific Power to put in the new decorative light poles and take the old ones out.

395 Lighting—Mill to Mission—This project will begin in early 2004.

Construction projects tentatively planned for this year are Mill Street reconstruction from Douglas to Hussman and the west side of High School Street from the ditch to Hussman.

Street Sweeping: Town maintenance staff tries to sweep the streets the first week of each month. Chichester, Arbor Gardens and the industrial areas are swept on Wednesday. All other parts of town are on Thursday. Please keep cars and other obstacles off the streets.

New Staff Members: Please welcome our newest staff members, Sherry Cunningham, Sr. Assistant in the administrative office and Dave Tyndall, maintenance tech, who works in all aspects of Town and H & S maintenance.

Commercial Trash Customers: Please keep dumpster enclosures free of debris. It makes the dumpsters very hard to maneuver, especially in bad weather.
